

Dear Parents,

Attached is the teacher created "Wish List". Some requests on this list represent items that are above and beyond what our budget will support, and will only be possible through parents granting "wishes". Other items, when sponsored, lessen the budget burden and create more funds to offset operating costs, thus helping to keep our tuition and fees down. Please contact us if you would like to fulfill one of these "wishes" by sponsoring the purchase of an item(s), or if you have a resource for purchasing that might be beneficial. We are always looking for ways to stretch our dollars. For you to exercise either of these options, and to allow sufficient time for us to purchase the items, please contact the school office by August 24, 2009.

We appreciate your time and consideration.

Sincerely,
Carden Parent Council
